

## Chief Executive Officer EQUUS REA LTD.

Location: Central Alberta

Powering rural Alberta for over 70 years, EQUUS is Canada's largest member-owned utility. EQUUS provides innovative power solutions and safe, reliable electricity distribution services to over 12,000 rural homes, businesses, industry and farms in 26 municipal districts and counties. Headquartered in Innisfail, with field offices in Claresholm, Medicine Hat, and Onoway, EQUUS is Alberta's rural electricity expert. As the electrical distribution service provider of choice in rural Alberta, EQUUS offers comprehensive distribution services that include:

- The delivery of safe and reliable electricity, 24 hours a day, seven days a week;
- Timely construction, maintenance and upgrades to power lines and facilities; and
- A competitive investment program to mitigate start-up costs.

EQUUS is looking for a talented leader, accountable for working with the Board of Directors in creating a vision and strategic plan to guide the organization through changes in the electricity sector. This person will navigate how EQUUS fulfills its commitments, embraces new business opportunities, functions in its members' best interest, and positions itself in a competitive market. The CEO will be a strong communicator, with the credibility to establish strong working relationships with members and stakeholders, including community groups, government, and politicians. This person will embody the values of accountability, community, knowledge, and quality in the leadership they provide to the organization.

The ideal candidate will have post-secondary education in business administration, finance, engineering, technology or a recognized equivalent, with an MBA seen as an asset. The CEO will have a track record of success in increasingly senior roles within a regulated industry. Exposure to the electrical distribution sector in Alberta and knowledge of the co-operative model of business in which EQUUS operates would be an asset. The successful individual will have an awareness of industry trends, and a strong business acumen with the capability to visualize and position EQUUS for continued success in the industry.

To apply for this position, please submit your application and related materials to [opportunities@boyden.com](mailto:opportunities@boyden.com) and **state the title of the position in the subject line of your email.**

*We thank all applicants for their interest, however only those under consideration for the role will be contacted.*
